ONE OF A KIND! Nestled in the gorgeous Fountain Hills gated community of Crestview. This meticulously maintained house has a split floor plan with 5 bedrooms and 6.5 bathrooms! Rare elements of this home include a piano room, theater room, heated play pool and spa and a downstairs entering game room with a wine bar which makes it ideal for entertaining family and friends. The two floors are connected by a lovely stone stairway, as well as an elevator! This home features a large kitchen with Viking appliances. Three remote start fireplaces located in the upstairs master bedroom, great room, and recreation room, plus an outdoor fireplace and separate fire pit on the backyard patio. The two attached 2-car garages feature built-in cabinets and epoxy flooring. See MOTION VIDEO.

<b>15435 N Cabrillo Dr</b>	Single Family Detached	4/5	4,022 sq ft	79,431	2009	6/27/2019	\$1,100,000	\$273
A very private estate property, nestled on a 1.82-acre homestead in North Heights of Fountain Hills. A large, open Great Room of Travertine Versailles flooring & massive retractable doors that turn the outdoor patio into livable space make it one of Fountain Hills' best party homes! A 4-car garage, lots of storage rooms & closets, plus a large paved parking area that can handle 10-15 cars make it a car lovers dream. From the moment you enter the charming courtyard with its massive iron gate, up through the sweeping slate staircase that presents a beautiful iron double-door entryway, you know this is a very special home! Mediterranean perfection with beautiful iron and stone finishes, an upper level teen or hospitality area, plus an amazing backyard & outdoor kitchen...See out the video

## About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

## About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records and RealtyTrac.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

## Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
